M. Offensive Material means any sewage or non-sewage fecal matt ,
urine, garbage, waste, or any putrescible organic matter, scavenger waste, t e
contents of private or individual sewage disposal systems, either liquid or sol: , or other
substances or liquid which may adversely affect health.

N. Other Wastes means refuse, spillage and the leaching from these ma -
rials, oil, tar, acids, chemicals, and all other discarded matter which may r< -
sonably be expected to cause pollution of the waters of the County of Suffo .

O. Private or Individual Sewage Disposal System means a water-flush J -
cility for the disposal of sewage which does not connect either with a municij 1
or communal sewage system. This includes, but is not limited to, septic tani , leaching
pools and tile fields.

P. Restricted Toxic or Hazardous Materials shall mean the following to] :
or hazardous chemicals that have been or could be expected to be detected i
the groundwater, or in discharges to the groundwater, of Suffolk County. TI s
definition applies to these substances alone or in combination, solution or m: -
ture with other substances, or chemically compounded with other elements r compounds.

Arsenic
Barium
Benzene
Bromobenzene
Bromodichloromethane
Bromoform
Cadmium
Carbon Tetrachloride
Chlorobenzene
Chlorodibromomethane
Chloroform
Chlorotoluene
Chromium
Cis 1,2 Dichloroethylene
Creosotes
Cyanide
Dichlorobenzene
1.1 Dichloroethane
.,2 Dichloroethane
1.3 Dichloroethane
1.1 Dichloroethylene
1.2 Dichloropropane
1, 3, 5 Trimethylbenzene Ethylbenzene
Chloride p-Ethyltoluene
Fluoride

Freon 113
Lead
Mercury
Methylene Chloride
Nickel
Pesticides
Petroleum Distillates
Phenols
Phthalates
Roadway Deicing Salt
Silver
Styrene
Tetrachloroethylene
1,2,4,5 Tetramethylbenzene
Toluene
1,2,3 Trichlorobenzene
1,2,4 Trichlorobenzene
1,1,1 Trichloroethane
1,1,2 Trichloroethane
1, 1, 2 Trichloroethylene
1, 2, 3 Trichloropropane
1, 2, 4 Trimethylbenzene p-Diethylbenzene
Vinyl
Xylenes

All other halogenated hydrocarbon compounds.
